How to Use SWK ONE in Detail — Complete Step-by-Step Guide

Comprehensive operational manual covering Web & Android sign-in, 5-layer Reception QR attendance, the 5-Tab Mobile Command Center, the 4-Tab Restricted Staff Portal, the 9-Tab Hybrid AI & Document Studio, and the 7 UAE Deal Calculators.

Part 1: Accessing SWK ONE (Web Browser, PWA & Native Android APK)

METHOD A · WEB & DESKTOP

Open in Browser

Navigate to **https://one.swkpropertiesuae.com** on any phone, tablet, or desktop browser. On desktop screens (≥900px), use the top-right toggle to switch between **Phone Frame Mode** (handset preview) and **Fullscreen View**.

METHOD B · NATIVE ANDROID APK

Install `ae.swkproperties.one`

Tap **Offline & APK** in the top bar of `/swk-one` to download and install the signed Android APK, or install on iOS/Android via **Add to Home Screen** for full-screen PWA launch.

METHOD C · SIGN-IN SCREEN

Sign In & Inspect Market Pulse

On `/login`, enter your `@swk.property` or `@swkpropertiesuae.com` email and password. The right panel displays live DLD AED/sqft & RERA rent benchmarks across 9 featured Dubai corridors.

Part 2: Morning Routine — 5-Layer Office Wi-Fi Reception QR Check-In

STEP	WHAT YOU DO	EXACT SYSTEM VERIFICATION & RULE (SWK-RECEPTION-STAND-DXB-1)
Step 01 WI-FI LOCK	**Connect to Office Wi-Fi**	Connect your mobile phone to **SWK-Properties-Office** upon arriving at the Dubai Head Office. Cellular data (4G/5G) and external hotspots are automatically rejected by Layer 1 IP/Network guard.
Step 02 QR SCAN	**Scan Reception QR Stand**	Point your phone camera (or tap **QR Check-In** inside SWK ONE) at the printed Reception QR Poster (`SWK-RECEPTION-STAND-DXB-1`). Works 24/7 even if all office PCs are off.
Step 03 AUTH + BIND	**Sign In & Tap Check In**	Enter your personal `@swk.property` email and password and tap **Sign In & Check In**. Layer 4 binds your hardware device ID (1 phone = 1 staff member; blocks buddy-punching).
Step 04 10:05 CUTOFF	**Verify Green Confirmation**	Wait 1 second for the green **Checked In Successfully** card showing your Dubai GST timestamp, reference code (`ATT-…`), and **On Time** ✓ badge (if ≤ **10:05 AM GST**; 10:06 AM+ logs exact late minutes).

STEP	WHAT YOU DO	EXACT SYSTEM VERIFICATION & RULE (SWK-RECEPTION-STAND-DXB-1)
Step 05 7:00 PM GATE	**Submit EOD & Check Out**	Before leaving at **7:00 PM** (**4:00 PM Sat**), record outcomes for all scheduled viewings and submit your **1-Tap End-of-Day Report** to unlock the **Office Check-Out** button.

Part 3: How to Use the 5-Tab SWK ONE Mobile Command Center (`/swk-one`)

When signed in as **Owner (Shabib Siraj)**, **Manager (Mohammad Haseeb)**, or an elevated brokerage role, `/swk-one` presents 5 specialized bottom navigation tabs:

SWK ONE TAB	KEY CARDS & CONTROLS	STEP-BY-STEP HOW TO USE IN DAILY OPERATIONS
Tab 1: Command `activeTab = 'command'`	• Admin Live Roll-Call Board • Duty Mode Switcher • Workday Checklist • 24-Area Companion • 1-Tap EOD Report & Checkout Gate	1. **Admin Roll-Call:** Owner & Haseeb see real-time `Checked In / Late / Not Checked In` status for all staff. 2. **Switch Duty Mode:** Tap *Active Office*, *Field Duty*, or *On Break*. 3. **Area Companion:** Pick any of 24 Dubai communities (e.g., Palm Jumeirah, Downtown) to view live AED/sqft, yields, 15-year forecast & copyable client pitch lines. 4. **1-Tap EOD Report:** Review auto-filled calls/viewings/leads, add notes, flag Client-Based Variable Hours if applicable, and tap **Submit EOD Report** to unlock Check-Out.
Tab 2: Field Duty `activeTab = 'duty'`	• Foreground GPS Radar • Viewing Itinerary • Maps / Waze Handoff • Geofenced Site Arrival • Late / No-Show / SOS	1. **Start Field Duty:** Tap **Start Field Duty** before leaving for a viewing; Android starts `SwkDutyLocationService`. 2. **Navigate:** On any viewing card, tap **Navigate (Maps/Waze)** for turn-by-turn directions. 3. **Log Arrival & Feedback:** On-site, tap **Arrived at Property (GPS)** to log verified coordinates, then record the client's rating, price impression, and objections. 4. **Exceptions & Safety:** Tap **Send Late Notice** if delayed, **Log Client No-Show** with GPS proof, **I Am Safe** for lone-worker timer, or **Emergency SOS**.
Tab 3: Inventory `activeTab = 'inventory'`	• 60s Property Sourcing • Camera OCR Scanner • Duplicate Unit Guard • Snagging & Key Custody • Developer NOC Tracker	1. **Camera OCR Intake:** Tap **Scan Title Deed / Form A (OCR)** to auto-extract plot/unit number, area sqft, owner name, and DLD reference. 2. **60s Sourcing:** Enter community, building, unit, beds, price AED, and Trakheesi Form A status; duplicate units trigger an instant warning. 3. **Key Handover & Snagging:** Log access cards/keys in the Key Custody ledger and complete the unit condition checklist. 4. **Developer NOC:** Track NOC clearance stages (Emaar, DAMAC, Nakheel, Sobha) and log follow-ups.
Tab 4: CRM & Deals `activeTab = 'crm'`	• SLA Lead Priority Queue • 1-Tap AI Lead Briefing • Dialer & Call Log • Unit Comparison Builder • Digital Offer & WhatsApp	1. **Lead Briefing & Call:** Tap **AI Brief** on any lead for instant talking points, then tap **Call** to open the phone dialer and log the call outcome in 1 tap. 2. **Compare Units:** Tap **Compare Properties** to build a side-by-side price/sqft, service charge, and net yield matrix for the buyer. 3. **Submit Digital Offer:** Use the Offer Composer to record offer price, deposit cheque, Cash/Mortgage type, and Form F conditions. 4. **WhatsApp & AI Drafts:** Generate English, Arabic, Russian, or Mandarin reply drafts and hand over threads when off-shift.
Tab 5: HR & Pay `activeTab = 'pay'`	• 6-Stage Commission Tracker • Verified Activity Score • HR Document Wallet • Leave & Shift Handover • Privacy & Offline Sync	1. **Commission Waterfall:** Track every deal's 50% advisor / 50% SWK split (+ 5% VAT) across *Calculated* → *Approved* → *Invoiced* → *Collected* → *Cleared* → *Paid*. 2. **HR Document Wallet:** Check expiry countdowns for Passport, Emirates ID, RERA BRN Card, and Visa; submit Annual or Emergency Leave requests. 3. **Privacy & Security:** Inspect the **Location Privacy Audit Log** (proving zero off-duty tracking), lock the app with **Biometric Lock**, or sync queued offline actions.

Part 4: How Restricted `@swk.property` Staff Use Their 4-Tab Portal

When staff accounts (`Talha`, `Fareed`, `Shahid`, `Umar`, `Saifullah`) sign in, SWK ONE automatically displays the streamlined 4-Tab Staff Portal (`SwkOneRestrictedStaffView.tsx`):

1. Attendance Tab (`tab = 'attendance'`)

- Tap **Scan Printed Reception QR** to check in on Office Wi-Fi.
- View your personal attendance history (On-Time vs. Late minutes).
- Submit your **Daily Work Summary** (with optional Client-Based Variable Hours reason) and tap **Check Out**.
- Apply for Annual, Sick, or Emergency Leave.

2. Company Manual Tab (`tab = 'manual'`)

- Read official SWK Properties LLC SOPs (Attendance Policy, Mandatory Checkout Gate, RERA ORN 51517 Ethics, and Role Governance).
- Ask any compliance or brokerage question in the **Interactive Company Knowledge Assistant** search box for an instant answer.

3. Market Pulse Tab (`tab = 'market'`)

- Switch between all **24 Dubai Corridors** during client calls or viewings.
- View live AED/sqft, YoY growth %, gross rental yield %, 15-year price forecast (2026–2041), nearby metro/schools, and verbatim closing scripts.

4. General Tab (`tab = 'general'`)

- One-tap shortcuts to the **SWK ONE AI & Utilities Studio**, **7 UAE Deal Calculators** (`/toolkit`), **Company Calendar** (`/calendar`), and **Android APK / Offline Mode** status.

Part 5: How to Use the 9-Tab SWK ONE AI & Utilities Studio (`/workspace-tools` & `/ai`)

Open **AI & Utilities** from the SWK ONE top bar (or navigate to `/workspace-tools` or `/ai`) to access 9 specialized studio tabs and 8 bottom brokerage utilities:
